Reading	Video: Australian Zoo Go on a virtual field trip today to the Australian Zoo! Share with your parent your favorite animal from the video and what you learned. When you are done continue with the writing assignment below.	Reading	Video: Animals On Board After watching today's video, make up your own number stories to share with your parents. Use the "Number Stories Blank" worksheet below or any paper to draw circles/counters to represent the numbers in your stories and write a number sentence/equation for each story you make up. Make up at least 3 number stories and equations. If you need help, download the Number stories worksheet below and practice. Send your 3 number stories and their equations to your teacher through Weebly. Your number sentences should be in your own handwriting.	Reading	Video: Brown Farm Go on a virtual field trip today to the Brown Farm! (a family at Imagine) Share with your parent your favorite animal from the video and what you learned. When you are done continue with the writing assignment below.	Reading	Video: Subtraction Stories After watching today's video, make up your own number stories to share with your parents. Use the Number Stories Blank Worksheet below or any paper to draw circles/counters to represent the numbers in your stories and write a number sentence/equation for each story you make up. Make up at least 3 number stories and equations. If you need help, download the Number stories worksheet below and practice. Send your 3 number stories and their equations to your teacher through Weebly. Your number sentences should be in your own handwriting.	Reading	Video: Zoo Miami Go on a virtual field trip today to the Zoo Miami! Share with your parent your favorite animal from the video and what you learned. When you are done continue with the writing assignment below.
Writing	Write 2 or more sentences to write about an animal that you learned about on your virtual field trip to the Australia Zoo. Use the foundations paper in the link below to write your sentences correctly. Remember what a sentence needs and use C. O.P.S. to check your sentences. Link to Writing Paper	Math	Number Stories Practice Number Stories Blank	Writing	If you would like to learn more about their farm, click the link below. They also accept donations! BlueJay Animal Sanctuary Link Write 2 or more sentences to write about an animal that you learned about on your virtual field trip. Use the foundations paper in the link below to write your sentences correctly. Remember what a sentence needs and use C.O.P.S. to check your sentences. Use the foundations paper in the link below to write your sentences correctly. Remember what a sentence needs and use C. O.P.S. to check your sentences. Link to Writing Paper
Social Studies	Studies Weekly Link Go to your studies weekly account and Select "Week 15: Seasons." Your child will complete all the sections of the article including videos, bonus sections, and answer the questions along the way. Then they will complete the test at the end. <i>This lesson will continue on Wednesday and Friday.</i>	Science	Studies Weekly Link Go to your studies weekly account and scroll down to Science. Select Life Science "Week 3: Animals" and read the whole article. When you see "Watch Video" and "Bonus Sources", please make sure to complete those and answer the questions. The questions in the "Bonus Sources" tab count as the quiz since there is no test at the end. <i>This lesson will continue on Thursday.</i>	Social Studies	Studies Weekly Link Go to your studies weekly account and Select "Week 15: Seasons."
